Repertory Company

This year, we are continuing with our Repertory Company for serious students ages 11+, entering 6th grade and up. The Repertory Company will offer students the chance to perform in various locations around the city. In March of 2018, they will perform in their own show at the Dance Complex Theatre.

In order to join the Repertory Company, **students must commit to three classes per week--two ballet and one modern/jazz. They must also commit to two weekly rehearsals, which will be on Friday evenings and Saturday afternoons.** For these rehearsals, guest instructors will choreograph dances in various styles to be performed in the March performance.

Participation in the Company will enable students to strengthen their technique and performance ability. They will also build confidence, friendships and artistic appreciation through dance.

Tuition for the Repertory Company is \$2,400.00, and registration is for the entire 2017-2018 dance year. Tuition includes classes, rehearsals, and costume fees and the \$100.00 three-class yearly discount. Payments can be made all at once upon registration or in four installments of \$600.00. **The first installment is due at registration, the second by October 1st, the third by January 1st and the fourth by March 1st.**
